many negative stories.

About Kindness

—————

You've dropped
this.

Ah,
thank you.

Basically,
being kind to someone is
a very joyful thing.

You are very busy
today. I'll cook and
tidy up alone.

Oh? Really?
Wow!

Kindness is shown not only
to strangers but also at home..

Ah,
you go ahead
first.

Ah...
Are you sure?

Even though
it is a very small and trivial thing,
if this kindness is added to other acts
of kindness that are happening
somewhere else at the same time....

... I'm sure the world gets
a little bit warmer.

One difference is that the person
who you're sharing the warmth with
is more special.

Pick it up and hang
it around her neck

Too big for her

TOO MUCH

~~~~~  
401-400

~~~~~  
(0000)

Pick it up and
call her to stop

I normally show just the right amount
of kindness depending on the situation.

You have things
to do too. Let's wash
the dishes together
and finish quickly.

He he.
Alright!

But I don't need to worry about
being too kind to Mom.

Wow!
I'll stop
working now.

And...

... there is no need to think about how the world would change because of my kindness towards Mav.

What is most meaningful is seeing his happy face.

Here—

But while
I brush my teeth,
if you...

... plug my phone
into the charger.

cuddle my sleeping
clothes and lie on

my side bed
to warm up the
them up...

...make sure that you can show
your unlimited kindness
but...

... don't expect it
from other people.

If he asks me...

1.

... don't want to do it!!!

Cold
It's cold!
